OYEZ COMES NOW THE POSTMORTEM CHILD, WITH A MOTION TO. (A NOVEL)

Createspace. Paperback. Condition: New. This item is printed on demand. 82 pages. This novel is a work of fiction. Names, characters, entities, organizations, places, events and incidents either are used fictitiously. Any resemblance to actual persons, living or dead, events, or locales is entirely coincidental. However, readings or citations of inheritance statutes from the fifty United States, relate to the existing laws. The author presents legal havocs derived of the advances in reproductive technologies and cryopreservation, and an evolving set of social norms that embraces (or at least tolerates) an amazing array of family forms. PLOT: Aeron Brennan is a posthumously conceived child, deprived of the rights to inherit his paternal house pursuant to the North Carolina intestacy statute. A 22 yo successful banker (collateral audit), he shares a rented luxurious condo with his 44 yo girlfriend Jena, twice his age. Having both parents gone, Aeron remains under constant attacks of his 46 yo elder brother Benjamin Brennan. Privileged for being conceived traditionally and born during his parents lifetime, Ben is an overcontrolling ob-gyn doctor, a representative of Jenas generation, and eventually, Jenas former fiance. Ben remains the only heir of the paternal multi-million estate with horse farm and vineyards, until Jena reveals the dark angles of the family fights around the property, including the way Aeron was born. Without Aeron's approval, Jena risks her freedom and life, finally achieving Bens inheriting rights be dismissed by a criminal conviction (forgery). Why she acts so, read the unpredictable turns of the novel. The events are much more than described, and include a set of legal debates, trials, cross-romances, and of course accidents that can build a starry fortune. This item ships from La Vergne, TN. Paperback.
