Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Thank you for using the Roswell Alien Visitors Guide* - over 880 locations! I developed this guide after a visit to Roswell, New Mexico when I found little information on the internet regarding businesses, locations and contact information. In fact, many of my searches sent me to Roswell, Georgia. After six weeks of research, map development and website building, I have the best information available regarding Roswell, New Mexico and the surrounding areas for tourism. Not only is there UFO and book/video research online, there are links to historic Billy the Kid locations that are all within 101 miles of Roswell. Other nearby places like Carlsbad Caverns and The Bottomless Lakes make Roswell a great central point for a week s worth of sightseeing! For more information, see the Day Trippin section of this guide. While this guide covers many categories like hotels, restaurants, grocery, car rentals pharmacies, it does not have all of the 880+ businesses listed on . Roswell Alien Visitors Guide has been condensed to save on printing costs. *Volume Discounts Available. Please email for pricing.
