Excerpt from The Munson Method of Power Type-Composition: A Description of the Method and Its Machines, and of the Manner in Which the Machines Are Operated in Practice; Also a Statement of the Kinds of Type-Composition That the Method Can Do, With Carefully Prepared Estimates of the Cost of Its Work The Munson Method of Power Type Composition has recently been greatly simplified and improved by the inventor, removing from it all of the features that had been criticised or excepted to by any of the practical printers who had examined it; so that he feels assured that, in its present shape, it will prove to be A Perfect Solution of the problem of economical machine composition which is now receiving so much notice, both from those who are in the business of printing, and from the public at large. The special attention of printers is, therefore, again respectfully asked by Mr. Munson to his typographic inventions, as they now stand, and as they are here briefly described. Other Type-Setting Or Composing Machines. All type-setting or composing machines, of whatever character...
