Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.FROM THE PREFACE. THE fortunes of the Polish people have long engaged the sympathetic interest of the peoples of Britain and France. We have always deplored that First Partition of Poland which was prompted by the unscrupulous ambition of Frederick II of Prussia. We grieve over the subsequent calamities of a gifted and gallant race, many of whose leaders had found a refuge among us. Within the last few years our interest has been rekindled by hope, for the prospect is brighter to-day than it has been for three generations, and we now look forward both to her recovering a united life under institutions calculated to meet her long-cherished aspirations, and to a permanent reconciliation of the Poles with other great branches of the Slavonic stock from which a series of unfortunate events have divided them in feeling. It is natural and proper that we in England should desire to be better informed regarding the history of the Polish People, and especially regarding their intellectual achievements. We know how much they have accomplished in poetry and music, as well as in science and letters. The names of Copernicus and Mickiewicz and Chopin are those most familiar to us out of a long and brilliant list. But we need to know much else, and to have a far more complete picture presented of the whole history of the national mind and of its varied efforts in the field of creative literature. It is a history which is all the more interesting because it enables those who apply philosophical methods to history to appreciate the relative importance and the peculiar character of the two external factors which have borne their part in...
