Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

LILY DOLLY

Barron s Educational Series, United States, 2013. Board book. Condition: New. Deborah Van De Liejgraaf (illustrator). Language: English . Brand New Book. Vivid retro-style design ensures that the adorable My Best Friend Me board books are great to look at, but it s the special added feature that really makes them stand out. Each one includes a super-cute animal finger puppet that interacts with every page! Children will want to hear the story of Lily and her best friend Dolly the dolphin over and over again as the two practice for the big show, and little ones will be thrilled as the friendly plush dolphin come to life with the help of their own or an older reader s finger.
