It is in a single of my personal favorite publication. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

MAGNA CARTA (PAPERBACK)

Penguin Books Ltd, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. David Carpenter deserves to replace Sir James Holt as the standard authority, and an unfailingly readable one too. Ferdinand Mount, TLS An invaluable new commentary Jill Leopore, New Yorker With a new commentary by David Carpenter No free man shall be seized or imprisoned, or stripped of his rights or possessions, or outlawed or exiled, or deprived of his standing in any other way, nor will we proceed with force against him, or send others to do so, except by the lawful judgment of his equals or by the law of the land. Magna Carta, forced on King John in 1215 by rebellion, is one of the most famous documents in world history. It asserts a fundamental principle: that the ruler is subject to the law. Alongside a new text and translation of the Charter, David Carpenter s commentary draws on new discoveries to give an entirely fresh account of Magna Carta s text, origins, survival and enforcement, showing how it quickly gained a central place in English political life. It also uses Magna Carta as a lens through which to view thirteenth-century society, focusing on women and peasants as well as barons and knights. The book is a landmark in Magna Carta studies. 2015 is the 800th anniversary of Magna Carta s creation - an event which will be marked with exhibitions, commemorations and debates in all the countries over whose constitutions and legal assumptions the shadow of Magna Carta hangs.
