Got Carrots Rescued Horse is an uplifting story about a rescued foal that teaches important real life values. Written by Patti Dammier, PhD candidate in psychology and author of Behavior Modification for Horses, the story is based on positive horse experiences within a tale that brings the horse world of Europe and the U. S. together. A humorous story about horses, a lost foal, and a kitten will entertain the horse enthusiast with the animal antics that take place at an equestrian school. During the riding classes, the students learn the fun equestrian disciplines: dressage, jumping, vaulting, and driving horses, as they also start an exciting adventure to learn to care for and train the rescued foal. While the foals life hangs in balance, the students help by assisting with round the clock care. The combination of horse education and hands on experiences provide a creative mix of real life horse experiences.
