iUniverse, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.THE EXECUTIVE GUIDE TO BUSINESS PROCESS MANAGEMENT has been written primarily for business executives, decision makers, informal leaders, and managers to provide a highlevel comprehensive overview of the powerful family of Business Process Management (BPM) methodologies. It is also for people who want to build the wealth of their organizations by applying sound, effective, and sustainable improvement strategies. The book provides a comprehensive, high-level overview of specific strategies to achieve continuous improvement objectives by applying Business Process Management methodologies. The author strongly believes that implementation of Lean, Six Sigma, or similar methodologies based on BPM paradigms significantly transform organizations, and dramatically increase their efficiency, effectiveness, and ability to achieve faster business goals and meet customer expectations. The hope is that this book will not only change the way you think about your organization, how it functions, and how it can excel, but that it will also have a profound impact on your life by making it equally successful. Many of the techniques and tools described here can dramatically improve your professional or even private life.
