THE ART OF FLYING (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the PREFACE. I AM laying before the public a treatise upon a subject, perhaps, as extraordinary in its nature as anything that has lately come before them; and after a candid perusal, should it meet with approbation from the friends to arts and sciences, my utmost pride will be gratified. The flight of birds, although so common and familiar to our sight, is certainly as great a phenomenon as any in the creation; and artificial flying, when accomplished, may be considered as one of the greatest wonders of the mechanic arts; which I firmly believe attainable upon the plan I have suggested. In this little work, I have shewn that birds wings do not increase their expansion in exact ratio with the increased specific gravity of their bodies; I have given a demonstration of the cause of the projectile motion of birds, the discovery of a true knowledge of which has bid defiance to philosophers in all ages; which, with other discoveries, I trust will prove that I have given consistency to what henceforth may be denominated the science of flying, and which may alone be deemed of considerable importance to science, had nothing more than that been brought forward; but as I have gone much further, and have advanced arguments, and given plans to render the art of flying practicable, the importance of this little treatise becomes obvious, more particularly so if we take into consideration the various purposes to which artificial flying may be applied. When my work was just ready for the press, I was much surprised at the account a friend gave me of what he had seen that day upon flying, in a monthly journal. I...
