Brand New Book ***** Print on Demand *****.Dark Side of a Mountain is a historical study into the effects of ideology, religion and culture on medical science. Section The Code is dedicated to the first public health manual on record: The Book of Leviticus, and to its 12th century annotation by Moses Maimonides. Causal relationship is found between rejection of food laws by early Christians, suppression of certain parts of the Bible by Catholic Church, measures against heretics, and resulting inability of medieval populations to contain plague which ravaged Europe in the 6th and 14th century. Truth table illustrates the causes and essential conditions of the Justinian plague and the 1348 plague. Essential conditions of the Justinian Plague were loss of autonomy, lowering standard of living including hygiene due to the onset feudalism, and strategic dependence of Byzantine Empire on imports of essential commodities from infected regions. The plague of 1348 brought about change of life-science doctrine to a set of religious dogmas. The argument goes that the root cause of the pandemic was a flawed life-science doctrine, which could not...
