Reviews

Absolutely one of the best pdf I actually have possibly read. Better then never, though i am quite late in start reading this one. I realized this book from my dad and i encouraged this ebook to discover.

(Ms. Beth Conroy V)

TUNNEL OF BABEL (PAPERBACK)

Dalkey Archive Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. In this sequel to his recent novel *God's Hazard* and the theological meditations of his classic *Experience and Religion*, Nicholas Mosley shifts between essay and fiction in his examination of the place of faith in contemporary culture. Mosley embraces with cautious optimism the evidence of a growing thaw (in fiction, film, and public discourse) regarding the acceptance of religion in the modern world, and presents his own daring contribution to this trend: a story of a modern-day Holy Family formed by a male writer, a woman, and her son of dubious parentage. Taking a stand against both the militant atheism of Richard Dawkins and sectarian fundamentalism, Mosley argues for a clear-sighted form of deistic faith based not on unquestioning certainty but on an ongoing reappraisal of truth and ethics.
