By Robert L. Chatburn

Jones and Bartlett Publishers, Inc. Paperback. Book Condition: new. BRAND NEW, Handbook for Health Care Research (2nd Revised edition), Robert L. Chatburn, Handbook for Health Care Research is included in the 2015 edition of the essential collection of Doody's Core Titles. Doody's Book Review: 98 - 5 Stars! This is a unique book on scientific research written for health care practitioners. Using step-by-step guidelines, the text teaches students and practitioners to implement a research protocol and evaluate the results, even if s/he has no experience or formal training in the research process. It provides the basic tools to carry out and critically analyze the research data, from asking the initial questions to preparing a publication. The chapters are organized around the major steps in the research process, allowing the reader to sort through various research procedures easily. All statistical procedures are illustrated with actual examples from health care practice. Instructor Resources include PowerPoint slides and a Test Bank.
