St. Martin's Press, 2016. Paperback. Condition: New. Language: English . Brand New Book. In a Nine Circles novel, there is fine line between pleasure and pain, between sin and salvation. In *Kidnapped by the Billionaire*, Jackie Ashenden explores what happens when a man and a woman go from enemies to lovers. When revenge and desire collide. Seven years ago, billionaire-turned-bodyguard Elijah Hunt lost everything he had--his family, his future--and now he wants revenge. But when he decides to kidnap the daughter of the man who ruined his life, Elijah gets a lot more than he bargained for. Violet Fitzgerald is nothing like her corrupt wealthy father. In fact, she's so disarmingly independent--and irresistible--that she's downright dangerous. There is no place to hide. Violet never thought she'd feel a connection to her captor. But there's something beneath Elijah's steel-bodied exterior that makes her want to know him more deeply, and surrender to his every demand. However, once Elijah's erotic fantasies become a reality--and he and Violet develop a powerful connection--he finds himself in a quandary: Is he still the one in control? Or has Violet imprisoned him--body and soul? Jackie Ashenden's novels have been called tantalizing, explosive. (Publishers Weekly, starred review) and *Kidnapped by the Billionaire* is no exception. It will leave you absolutely breathless. Don't miss the other books in the Nine Circle series: Book #1: *Mine to Take* Book #2: *Make You Mine* Book #3: *You Are Mine* Book #5: *In Bed with the Billionaire*.
