THE TWO AGREEMENTS: A GOOD NEWS STORY FOR OUR TIME

Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.If you are satisfied with your religious life as it is, you do not need to read this book, which challenges the largest global religious population to re-think its saint and sinner doctrine and embrace inclusion of all humanity regardless of race, gender, religion, past sins, or other barriers. It will compel you to examine the contents of the religious box into which you've been trying to fit all the pieces of your life, and question the leaders who have long enjoyed being on a pedestal and worshipped by followers. If you've been led to this book, you have probably realized that you have accepted religion's programmed answers as truth without ever inquiring of the Spirit to find validity of such ideas. Perhaps accepting your forefathers' beliefs as your own caused you to feel that your true self was a captive within your physical body as you tried to do good and become more like God. Would you like to stop this internal battle and move toward peace? Are you ready for a life-changing journey with the Holy Spirit that will convert your view of God, yourself, and your religion? The Holy Spirit (NOT the church) is the one Jesus identified as our Healer, Counselor, Comforter, and Teacher of all things. Why not use this connection to live your spiritual life in the happiest and most fulfilling way? Many Christians are confused when they compare Jesus' once-for-all redemption message with the Church-dictated rules that are supposed to bring right standing with an angry, judging, and blood-thirsty God. Without allegiance to any man, institution, religion, or ideology, The Two Agreements is the retelling of the greatest...
