## What Is the Sun? (Paperback)

By Bridget Heos

Rosen Publishing Group, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. This simple guide to the sun and stars will engage readers with the fundamentals of astronomy, detailing how the heavenly bodies affect one another and how they ultimately affect us. The material covers basic science curriculum for this reading level, making it an important supplement for students who want to study independently, teachers who want to provide supplemental materials, or readers who simply want to know more about the universe. The accessible and straightforward language makes this volume an intriguing read.

### Reviews

*This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.*
