

Positive Behavior Management in Physical Activity Settings (Paperback)

By Barry W. Lavay, Ron French, Hester Henderson

Human Kinetics Publishers, United States, 2015. Paperback. Condition: New. 3rd edition. Language: English . Brand New Book. There are increasingly more at-risk children and students with disabilities to manage and physical activity professionals also face the unique challenge of providing instruction to large groups with limited resources and distractions galore. This resource will help overcome these and other discipline challenges, but also uses tried-and-tested, positive techniques to develop appropriate and responsible behaviours, and good character among all learners. This new edition incorporates principles, methods and instructional practices from psychology, special education, pedagogy, recreation, athletics and coaching. It shows teachers, coaches and recreation leaders how to apply the principles that have proved effective in schools and youth sport programmes.

Reviews

This book will never be easy to start on looking at but quite entertaining to read. It is actually packed with wisdom and knowledge It is extremely difficult to leave it before concluding, once you begin to read the book.
