Brand New Book ***** Print on Demand *****.Excerpt from Schoolhouse Sanitation: A Study of the Laws and Regulations Governing the Hygiene and Sanitation of Schoolhouses This bulletin reviews the standards that are set to-day in the different States concerning the physical environment to which the child is intrusted by compulsory attendance upon public schools. The school endeavors to instruct the child how to avoid ills of various sorts; the State, through inspection, is barring from the school those person who may be a source of danger to others - these are facts that need not at present concern us, though they afford scope for a volume. This bulletin is confined to the hygienic provisions regarding the school site and the school plant. There are difficulties in the way of a satisfactory treatment of this subject; some of them should be noted at the outset. The school codes of many States omit some of the laws bearing on school sanitation. These omissions can only be discovered by a careful scrutiny of the statues. At the same time it is impossible to tell what shall be to-morrow. Various executive authorities, clothed with different...
