

An Other Kingdom: Departing the Consumer Culture

By Peter Block, Walter Brueggemann, John McKnight, Wiley

John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, An Other Kingdom: Departing the Consumer Culture, Peter Block, Walter Brueggemann, John McKnight, Wiley, Our seduction into beliefs in competition, scarcity, and acquisition are producing too many casualties. We need to depart a kingdom that creates isolation, polarized debate, an exhausted planet, and violence that comes with the will to empire. The abbreviation of this empire is called a consumer culture. We think the free market ideology that surrounds us is true and inevitable and represents progress. We are called to better adapt, be more agile, more lean, more schooled, more, more, more. Give it up. There is no such thing as customer satisfaction. We need a new narrative, a shift in our thinking and speaking. "An Other Kingdom" takes us out of a culture of addictive consumption into a place where life is ours to create together. This satisfying way depends upon a neighborly covenant--an agreement that we together, will better raise our children, be healthy, be connected, be safe, and provide a livelihood. The neighborly covenant has a different language than market-hype. It speaks instead in a sacred tongue. Authors Peter Block, Walter Brueggemann, and John McKnight..
