In the fullness of time, God fulfilled His promise to send His Son. What made two thousand years ago the right time? The KOINE Greek Language! God's perfect design was to use KOINE Greek when it was the COMMON language of the world so that every nation could understand the Right-announcement. More than that, KOINE is such a precise language, that when studied, one finds, like knowledge the OT Hebrew, no need to be bound by the endless false dilemmas, empty arguments, and vain philosophies found among those that refuse any exodus from their Egyptianity into true Christianity. KOINE facilitates our desire to come out and be separated from them. In a culture dominated by conversational ecumenism-It speaks Calvin or Arminius: it's a virtual language of Ashdod- KOINE stands forever to equip God's out-called people to remain peculiar, uniquely His, in words and practice: To speak the language spoken by the martyrs throughout all the durations. KOINE will teach you the value of your New Testament in the original language; empower you to meet your responsibility to do your own word studies, in order that you might know exactly what God intended to communicate to you and others; and finally, demonstrate to you that the True and Living God did not leave you as an orphan, dependent upon the theological traditions, customs, creeds, and confessions of unnatural parentage.
