

The Stolen Years of the Handsome Father: A Play in Two Acts (Paperback)

By REV Dr Gary Nelson

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A stage play, The Stolen Years of the Handsome Father examines a man who looks back on his life and realizes a life-altering choice he made as a university student has not been worth the life he finds himself living today. It s about a personal dilemma to continue on as he has, believing that regret and loss are simply a part of life, or making a bold change that could end the anguish inside. The play s central theme exposes the emotional harm of holding in a secret that simply steals the years of a person s life, as well as the years of others affected by his youthful decision. This is the first stage play by Gary Nelson, author of the 2013 novel, The Prophetess of Islam.
