There are better ways to break up with a girl than having her roasted at the stake as a witch. Is it any wonder Ysabel has trust issues? She got her revenge, though, and it only cost her a slightly tarnished soul. Working for Lucifer isn't all bad, until her ex-boyfriend escapes the bowels of Hell and she's forced to team up with a womanizing demon to fetch the jerk back. As a minion in Lucifer's legion, Remy's seen a lot of things, but nothing can prepare him for the witch with the acerbic tongue - and voluptuous figure. The more she pushes him away, the more determined he becomes to seduce her. However, what's a poor demon to do when he accidentally falls in love and wants to keep her forever? Welcome to Hell where you're screwed if you do and damned if you don't. And just so you know, Lucifer has a special spot reserved for you.

*A whole new eBook with a new standpoint. Better than never, though I am quite late in starting to read this one. I discovered this publication from my dad and he advised this publication to discover.*
