James Yang, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.ATTENTION: Inventors and startups! Is the patent system confusing to you? Knowledge itself is power - Sir Francis Bacon (1597). Knowledge gives you additional confidence because with the right information: 1) the correct next steps will be clearer, 2) you will be more informed about the choices you make, and 3) you will have peace of mind about the decisions you make. Navigating the Patent System will give you more clarity regarding your potential next steps and increase your confidence as you make your patenting decisions. This is not a substitute for legal advice. Retain a patent attorney to help you through the patent process. The patent system is systematically explained so that you can get a better sense what the right next steps for you might be. The 7 Core Concepts is a systematic way of learning about the patent system. The 7 Core Concepts helps you to have a clear sense of what your options are. *** Section 1: 7 Core Concepts The 7 Core Patent Concepts form the informational foundation that every inventor and startup should know to be prepared to make smarter decisions. The information is not exhaustive and is presented in a clear, easy-to-understand manner. Rather than a lengthy, dry discussion of laws and rule, it gives you what you need to know when you go through the patent process to mitigate mistakes and to eliminate the possibility of wasting time and money. When necessary, the essential information is covered in more depth since you sometimes do need to roll up your sleeves if you want clarity and confidence regarding the decisions you are making. *** Section 2: Patent Applications The mechanics and strategies of preparing a patent application...
