

Red Army: The Radical Network That Must Be Defeated to Save America (Hardback)

Filesize: 3.07 MB

Reviews

A fresh e book with a brand new point of view. It is definitely simplistic but surprises in the fifty percent of your ebook. Its been designed in an extremely basic way and is particularly just soon after i finished reading this ebook where in fact altered me, change the way i really believe.

RED ARMY: THE RADICAL NETWORK THAT MUST BE DEFEATED TO SAVE AMERICA (HARDBACK)**DOWNLOAD**

HarperCollins Publishers Inc, United States, 2011. Hardback. Book Condition: New. 231 x 152 mm. Language: English . Brand New Book. In this original investigative work, the bestselling authors of *The Manchurian President* expose one of the most important untold stories of the decade: how a nexus of radical socialist groups have seized political power, shaped Obama's presidential agenda, and threaten the very future of our country. For decades, a radical socialist movement has been quietly infiltrating the major institutions of American power: our schools, our military, our economy, our media, and Congress itself. This progressive Red Army is an organized network consisting of numerous specialized groups that target specific policy areas while cooperating more broadly in a concerted decades-long campaign to transform America. Now, for the first time, investigative reporters Aaron Klein and Brenda J. Elliott not only expose the key players, organizations, and relationships in this radical network but chart their spheres of influence, their nefarious objectives, their role in shaping Barack Obama's agenda, and their long-term plans for the nation. Among some of their finds, Klein and Elliott reveal the existence of a powerful Marxist-socialist bloc in Congress (explicitly formed as an arm of the Democratic Socialists of America) and examine its far-reaching goals in policy areas that affect all Americans, including the complete socialization of health care and comprehensive immigration reform, which seeks to change the very nature of the American electorate. The authors expose the shocking misinformation campaign behind Obama's economic policies, discussing the crafting of the massive stimulus legislation, as well as his plans for future economic reform. In two chapters that every American must read, entirely new information is laid bare on the left's unprecedented assault on our already over-liberalized education system. And in just one astonishing discovery, Klein and...
