

The New Income Tax: In Relation to the War Business (Classic Reprint) (Paperback)

By Roland Burrows

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The New Income Tax: In Relation to the War Business Income Tax was created as a war tax, and many years passed before it became recognised as an ordinary method of raising revenue. The outbreak of the present war rendered a large increase in the current rates inevitable, and these were stated by the Chancellor of the Exchequer in his speech of the 17th November, 1914, and became law by virtue of the second Finance Act, 1914. If the total taxable income exceeds 2,500 there is no abatement on such part as is earned income. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. Its been written in a remarkably easy way in fact it is only right after i finished reading this book in which basically changed me, modify the way i really believe.

-- Prof. Vanessa Smitham V

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

-- Nannie Lindgren Jr.
