BRILLIANCE AUDIO, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Jessica Fletcher finds herself in a tropical paradise where "aloha" means both hello and goodbye. But sometimes, the goodbye is permanent. Jessica is on the Hawaiian island of Maui, giving a lecture at Maui College on community involvement in police investigationsa subject she knows well. Her co-lecturer is legendary retired detective Mike Kane, a behemoth of a man who shares his love of Hawaiian lore, legends, and culture with Jessica. Sadly, all the talking stops when the body of a colleague is found at the rocky foot of a cliff. Mala Kapule was a botanist and popular professor at the school, known for her activism and efforts on behalf of the volcanic crater Haleakala. The high altitude crater is already the site of an observatory, but plans to place the worlds largest solar telescope there split the locals, with Mala fiercely arguing to preserve the delicate ecology of the area. Was someone trying to muffle the protestors? Or was Malas killer making a more personal statement? Now, its up to Jessica, along with Mike, to uncover who was driven to silence the scientist and betray the true meaning of Aloha.
