Memoirs Publishing, United Kingdom, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book. Eve Osborne began teaching in a primary school as a young woman and enjoyed a colourful career, working with fellow teachers who ranged from the inspirational to the incompetent and teaching children of all abilities and backgrounds. In this book she looks back on her time at the chalkface , reflecting on changes to the education system, beneficial and otherwise, and how her attitude to life, learning and teaching were moulded by personal experiences away from the classroom. I grew up in the 1960s, the era of sex and drugs and rock and roll. When I began teaching in the 70s, I did not leave all that behind.
