Brand New Book ***** Print on Demand *****.WE ARE living in an age when the historical, archaeological, philological study of the Holy Scriptures is being carried on with the greatest eagerness, and with better equipment and more abundant material than at any previous period in the history of the Church. It is producing a vast and important literature, and surely all who love the Word of God must welcome the fruits of such investigation, and be grateful for a more comprehensive knowledge of the historical background of Biblical events and a more accurate understanding of the languages in which our Testaments were written. Yet there is a great danger that in the constant search for the grammatical and historical meaning of the records of the Holy Scriptures the deeper, more spiritual truths of these passages will be ignored, or at least be given a place of undeserved subordination. That this is a real danger today is shown by the fact, which none can dispute, that the literature now appearing relating to historical and archaeological matters relating to the Word of God is vast, important, the result of years of careful study on the part of distinguished scholars, while, on the other hand, the literature which attempts, with equal soundness of learning, to bring out the great spiritual teachings of the Word of Truth is for the most part superficial, ephemeral, more or less sensational and does not commend itself to our new generation. One reason for this is that men who give themselves day and night to meditation upon the deeper, spiritual truths of the Word, are growing, it seems, increasingly rare. This book, by my dear friend Dr. Dolman, is a welcome exception to...
