It is imperative to understand that God s timing does not synchronize with our chronological time frame. He has made everything beautiful in its time. Also He has put eternity in their hearts, except that no one can find out the work that God does from beginning to end (Eccl 3:11). Therefore, understanding God s divine timing, which is a precise time that God sets in His own calendar to intervene in our lives, is a key to dominion and victorious living. The author has provided us with empirical examples of people who experienced the power of God s visitation in their lives, what they did to experience it and how we can live and experience the power of His divine timing at work in our lives. Of the sons of Issachar who had understanding of the times, to know what Israel ought to do, their chiefs were two hundred; and all their brethren were at their command (1 Chronicles 12:32).
