It has a question and answer format because asking questions was a powerful teaching method that Jesus used to reveal God s divine truth. In His instruction to the people of God and others, the Lord asked over one hundred and thirty questions. Those mentioned in the gospels were only the recorded ones. This is the workbook which supports the second book in a series of two smaller books for group study based on a larger comprehensive version (A Personal Study). If you lead the group study, there is an instructor s manual with additional notes and the workbook questions with suggested answers from the text. For a quick read there is an abridged edition (A Book Short) which can also be purchased. This book discusses topics such as conflict, reconciliation, decision-making, refusing to reconcile and the consequences to you and others, the spiritual battle involved, and how we should act like Christ. This can involve spouses in marriage, partners in dating, parents and children,...
