Everyone knows the name Callaway. The Callaway Golf Company is world famous for its premium golf equipment. What most people do not know is that Ely Callaway might never have gotten his golf manufacturing company off the ground without the expertise offered by the world s premiere golf physicist-Leon Z. Seltzer. Goldwin Golf has described Seltzer as the engineer physicist with a passion for golf.a rare individual with equal measures of scientific stature and golf fanaticism. He is respected by his peers and renowned for his theories that have shaped some of the major companies in golf. He is a man with a deep love for the sport, as well as being a fine historian and was one of the better amateur golfers in the country. John Wong of Hireko Golf says Seltzer s innovative articles have given me a much more complete understanding of the how s, why s and what if s of golf physics. He is truly the Grand Master of golf physics. Golf: The Science and the Art is a wide-ranging...
