John E Moriarty. Paperback. Condition: New. 124 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. When I started creating the content for this book, my intention was to touch, move, impact, or agitate you, the reader, enough to change your perspective on finance and money related decisions. Some parts of this book may make you feel uneasy. If so, I encourage you to keep reading because you could be nearing a breakthrough. Its very possible to experience several different emotions as you digest the material in this book: curiosity, fear, anger, excitement, or even relief. This process needs to occur so that you can uncover your limiting beliefs. Once you realize what is standing between you and financial security then you can identify the resources and services that can add value to your financial life. My passion in business is to awaken the inner entrepreneur in all of us. The entrepreneurial mindset is present when individuals, families, and small business owners do the following: Educate themselves on financial topics that protect their personal economies Gain confidence in their minds that financial freedom is attainable for them Take action toward customized, one-sized-fits-one solutions through proactive implementation of cutting-edge strategies Establish trust with a team of resources that properly manage expectations Adjust their paths as the world around them changes Why do I find this entrepreneurial awakening so important I believe that there are real economic forces working against individuals, families, and small business owners who have saver mentalities because they contradict our consumer-driven society. I am not saying these forces are evil or intend to harm the average American, but I do believe that certain elements of our society benefit from the effects of consumerism. Also, I dont want readers to think that this book is only for business owners or entrepreneurs. I...
