Reach out, take my hand and stand again, for this day I have set my hand again, and you have received all that you had forgotten when you were created; this day you have received the knowledge that you are never alone, that you exist as a miracle, and that we have always been one. Take my hand, walk with me and dream your dreams again, dream without fear of failure, dream knowing it is already done and that every image of failure is only an illusion. And even on the darkest night, look above you at the promise of the coming new day as the starlight dispels the darkest path. Know that I am with you even then. Be still, and know that I am with you always. The master walked away from the hillside, the sun shining at his back. A hush had befallen the entire realm as the master spoke.
