## THE WOLF PIT (PAPERBACK)

Vintage Publishing, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. In 1966 Will Cohu s grandparents moved to Bramble Carr, a remote cottage on the Yorkshire moors. The summers and winters he spent there were full of freedom and light; only after childhood ended was he aware of the price the adults had paid for life in this most romantic of settings. Navigating family tensions and the trials of growing up, Will describes the close-knit community of North Yorkshire and his family s place within it: the shepherd probing the head-high snowdrifts for his flock; the pub landlord obsessed with military uniforms; the village doctor lost in his love for the purple moorland; Will s glamorous RAF parents; and, at the centre of the story, his beloved but enigmatic grandparents. The Wolf Pit is an enquiring love letter from Will Cohu to his family, and to a changing rural England that is passionate, frightening and funny.
