

Ancient Israel: The Old Testament in Its Social Context

Filesize: 6.53 MB

Reviews

This ebook is indeed gripping and fascinating. It is definitely simplistic but excitement from the 50 % of your book. You wont sense monotony at at any time of your own time (that's what catalogs are for relating to should you check with me).
(Mr. David Stanton Jr.)

SCM PRESS, United Kingdom, 2011. Paperback. Book Condition: New. 228 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.The book begins by providing a brief history and overview of social scientific analysis of the Old Testament, to bring the reader up to speed with the current scholarship. The remaining chapters are divided into three parts. The first part of the book, chapters 3-9, apply social-scientific models to general issues in Old Testament research, issues such as tribalism, polygamy, rituals and in particular sacrifice, the practice of exchange and the acquisition of wealth in the biblical world. Three models of patron and client, limited wealth, and honour and shame are used. The second part, chapters 10-16, apply social-scientific models to particular texts, including Micah 1-3 and Micah 6: 9-15 on economic states, the use of euphemisms for male genitalia in Deuteronomy 25: 11-12 using cross-cultural sociolinguistic research, the sacrifice of Jephthah's daughter is examined in an honour and shame framework, examining Judges 10 to 11, and in 2 Samuels 10-13, the social dynamic of challenge and response is examined in relation to David's sacking of Rabbah. Chapter 14 looks at Ezekiel and the call to be a prophet, and uses the social-scientific disciplines of cultural anthropology and cognitive neuroscience to analyse the call, to better understand and appreciate this event. Symbols of war are examined in the final chapter in this part, in Maccabees 1, applying anthropological theories of war. The third part of the book, chapters 18-20, focuses on hermeneutical issues, looking first at psychological interpretations, then identity theory and political interpretations and finally at the role of social sciences as a whole in biblical interpretation.
