Brand New Book ***** Print on Demand *****.Pucked on the Ice: BWWM Pregnancy Sports Romance Drake Hardaway is the ultimate player, a bad boy enforcer on the ice for the Pittsburgh Penguins. Rumour has it he is the typical ice hockey star. Hot on and off the ice. You know the type. Good looking, strong, cocky, thinks every woman wants to sleep with him. But he has also been charged with rape. Jenn Thomas is an up and coming black female news reporter who is still flying high after exposing the steroid use of some of the best players in Professional Baseball. Now her editor had just handed her another bomb in the form of Drake Hardaway that is threatening to explode! My editor wants me to find out the truth, to get this famed ice hockey star to bare all. She meets the man who she thinks is nothing but a dumb jock. He had taken her favourite player out of the Stanley Cup series the year before on purpose. But when she meets Hardaway, she finds a man who is quite different from the player on the ice. They have an instant connection something that cannot be stopped. Things are about to get complicated. Drake knows that having Jenn around is great for publicity and may be his one last chance to try and clear his name . But what happens when secrets from the past come back to haunt this bad boy? And Jenn becomes more than just a game? Author s note - Pucked On The Ice is a standalone novel. Due to strong language and sexual content, this book is not intended for readers under the age of 18.
