Reviews

This pdf is so gripping and exciting. I actually have go through and that i am confident that i will going to read once again once more in the future. I discovered this publication from my dad and i advised this ebook to discover.

(Mr. Elwin McGlynn Jr.)

AZOTH: OR, THE STAR IN THE EAST; EMBRACING THE FIRST MATTER OF THE MAGNUM OPUS, THE EVOLUTION OF APHRODITE-URANIA, THE SUPERNATURAL GENERATION OF THE SON OF THE SUN, AND THE ALCHEMICAL TRANSFIGURATION OF

Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Azoth: Or, the Star in the East; Embracing the First Matter of the Magnum Opus, the Evolution of Aphrodite-Urania, the Supernatural Generation of the Son of the Sun, and the Alchemical Transfiguration of Humanity Principle of Universal Development or Evolution. If we exclusively consider this principle so far as it is at work in the Kingdom of Humanity, we shall see that the Great work is the amelioration, exaltation, or transmutation of the formless human race into the dual child of the Mystic Cross of c - to make use of Hermetic terminology - or, in other words, into the Perfect Man. And as the development of one such being out of the whole chaos of individuals, ever manifesting and vanishing with the ebb and flow of generations, would provide a transforming instrument, a living Snip/tar T fugens, to adopt another alchemical phrase, we thus find that the conception of a transmuting and colouring stone, and of a projecting powder which can exalt into its own nature any adaptable substance, irrespective of magnitude - things which are continually referred to in the allegories of the Philosophers - have a secret significance which points in the same direction, unto the Blessed Isles of the Elect Children, which the alchemist prayed to behold in the parabolic vision of Mercury. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
