Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Shane Walton is a popular and ambitious seventeen-year-old. But the Marysville High School football captain's real ambition is to become the world's most famous computer hacker. Scanning through a beauty pageant site he finds Samantha Brynes, a successful beauty pageant who lives in Boise, Idaho. Disgusted with the narcissistic tweets and photos she uploaded on Twitter, he couldn't believe his luck. While the task of creating a Samantha Brynes hate site and hacking various websites is not without consequences, his leadership skills would launch him into Anonymous fame. Across the Mid-West, Samantha Brynes is driving down Interstate 90 and the only thing she can think about is her speech about world peace in pursuit of her 5th straight crown in Seattle. Winning the pageant would make Samantha one of the most successful teenage contestants in pageant history. It would also win her a new role in *Raw Beauty*, a television series starring famous celebrities Tom Anderson and Janyce Williams.
