Yaron Sinai, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Are you frustrated with your current project management process? Well, you're in luck. This book holds the secrets not just to faster, more effective, more profitable project management, but the secrets for managing something just as important: time. The Project Management Formula will radically change your thinking about how you invest your time, what you focus your primary energy on and what's really important when it comes to making money and running your projects. In this book I am going to show you how to take charge of your projects and run them in a simple, step-by-step way that will enable you to complete them on time, starting today. This can boost income now and bring you the high-caliber clients that you want to attract. It can also make your company more efficient and competitive and begin refining and spotlighting your brand starting on this very page. The best part is you don't need any special background, education, or skills to use this Formula. The Project Management Formula is an easy 5-step system for running projects that we here at Elementool are really excited about, and that you will be able to start using straight away. The five steps of the Formula are: -Step 1: Define project objectives and collect requirements -Step 2: Define the priority of the requirements and features -Step 3: Planning iterations -Step 4: Running iterations -Step 5: Present the product to the client With The Project Management Formula as your guide, you can explore and discover with safety. You've already begun the journey to a better way of working and a better way of life just by picking up this book!.
