Reviews

A very wonderful pdf with perfect and lucid explanations. This can be for those who statte that there had not been a worth reading. Once you begin to read the book, it is extremely difficult to leave it before concluding.

UNCHOPPING A TREE (HARDBACK)

Trinity University Press, United States, 2014. Hardback. Condition: New. Liz Ward (illustrator). Language: English . Brand New Book. There s no mystery to chopping down a tree. But how do you put back together a tree that s been felled? Mystical instructions are required, and that s what W. S. Merwin provides in his prose piece Unchopping a Tree, appearing for the first time in a self-contained volume. Written with a poet s grace, an ecologist s insights, and a Buddhist s reverence for life, this elegant work describes the difficult, sacred job of reconstructing a tree. Step by step, page by page, with Merwin s humble authority, secrets are revealed, and the destroyed tree rises from the forest floor. Unchopping a Tree opens with simplicity and grace: Start with the leaves, the small twigs, and the nest that have been shaken, ripped, or broken off by the fall; these must be gathered and attached once again to their respective places. W. S. Merwin, like many conservationists, is quick to say: When we destroy the so-called natural world around us we re simply destroying ourselves. And I think it s irreversible. Thus the tree takes on a scale that begs the reader s compassion, and one tree is a parable for the restoration of all nature.
