Reviews

Without doubt, this is the very best function by any writer. It typically will not charge too much. I discovered this publication from my dad and i encouraged this pdf to discover.

ALLISON BUSBY, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. Is love really more important than lip gloss? Hannah Atkins - the girl most likely to be sporting streaky fake tan and a wobbly trail of liquid eyeliner - has bluffed her way into the position of beauty editor at Gloss magazine. Just as she's carving a path into the gorgeous world of guerrilla air kisses, she reads about her boyfriend and another girl in the gossip pages of the local newspaper. Then she gets dumped. By text. Vowing to claw back some dignity and make her ex regret what he's done, Hannah adopts some hardcore rules - look fabulous, act fabulous, steer clear of unsuitable men. But as her resolution starts to slip away, she finds herself having to decide on more important things than the perfect mascara. The sassy and hilarious debut novel from a former Cosmo beauty editor, Air Kisses is the ultimate feel-good read about life, love and lipstick.
