For two hundred years, Jala s people have survived by raiding the mainland. By shaping the reefs around the Five-and-One Islands into magical ships, they can cross the ocean, take what they want, and disappear. Or so they have always believed. On the night after Jala becomes queen, a tide of magical fog sweeps over the islands, carrying ships form the mainland. Inside are a desperate people, driven half-mad by sorcery and looking for revenge. Now Jala--caught between her family s unending ambitions, the politics of the islands thrown into turmoil, and her unexpected love for the king--must find a way to save them all if she can. But there are greater powers at work, and the politics of gods are more terrifying than she could have imagined. To save the Five-and-One Islands she may have to leave them behind.
