LAND USE AND SPATIAL PLANNING : ENABLING SUSTAINABLE MANAGEMENT OF LAND RESOURCES

Springer-Verlag Gmbh Jan 2018, 2018. Buch. Condition: Neu. Neuware - This book reconciles competing and sometimes contradictory forms of land use, while also promoting sustainable land use options. It highlights land use planning, spatial planning, territorial (or regional) planning, and ecosystem-based or environmental land use planning as tools that strengthen land governance. Further, it demonstrates how to use these types of land-use planning to improve economic opportunities based on sustainable management of land resources, and to develop land use options...
