The book is not difficult to read through better to recognize. It really is written in straightforward terms instead of confusing. I am happy to inform you that this is actually the finest publication I actually have read in my individual daily life and may be the best book for possibly.

THE OLD FAIRY TALES

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. J Moyr Smith, Rafael Ferran (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the Preface. THE times of fairies and such like people now are over. Though they have often been published before, I hope you will think this the best collection that ever was brought out. The artist has drawn pictures for it with the greatest care; and as for me, I have prepared it with as much pains as if it were a history of England or a Chinese dictionary. You will read all the stories through; I am sure you will. In them you will find a great deal to wonder at. And you are also certain to observe that much that happened in fairy-land is very like what happens every day in the real world. You will see that appearances often were deceitful, that strength and cleverness did not always go together, that perseverance overcame difficulties, and that the true way to...
