If religious poetry may be thought of as a great river fed, in the English language, by two main streams - the devotional tradition, leading in recent times to Anne Sexton and John Berryman, and the contrastingly philosophical tradition, exemplified by William Blake - it is to the latter that this new book by Kelly Cherry belongs. In the poems of God s Loud Hand, Cherry conducts - often not at all devotionally, often with an honesty that precludes the emphasis on self that tends to be present in devotional poetry (Lord save me, Lord forgive me, Lord help me) - a metaphorical investigation of theological ideas. This intellectual boldness reveals itself in a formal argumentation rare in contemporary poetry. Lik Donne or Hopkins, Kelly Cherry defines her terms, orders her points logically - no vagary or sentimentality appears here. The result of such exactitude is a kind of clarity, a grace, that seems to lift the poems off the page, to cause them to rise, make their own kind of ascension. It is as if these poems were larks - an exaltation of larks, as they say - that rise each morning to heaven s gate, but instead of singing hymns, they sing philosophy s own music. And in what a remarkable variety of keys, what a range of modes and moods....
