

Tales from Boccaccio (Paperback)

Filesize: 2.72 MB

Reviews

Very useful to all category of individuals. It is one of the most amazing publication i have got read through. You will not feel monotony at anytime of your respective time (that's what catalogs are for about when you question me).
(Mr. Johnathon Dach)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. BOCCACCIO S most important tales. The stories selected are as follows: The Scoundrel Becomes a Saint; The Story of the Three Rings; The Tragedy of Illicit Love; Iphigenia, Mistress of Cimon; Calandrino s Story; Befriending His Enemy; The Story of Griselda. -Book Review Digest, Volume 14 [1919] THE anonymous translator of the seven Tales from Boccaccio published in the Stratford Universal Library (Stratford Co.) has done an appreciable service in providing so easy an approach to the Decameron, that treasure house of mediaeval gossip, fiction, fable, and journalism, not to say history. The stories are sufficiently well selected for variety of interest, covering practical jokes, Oriental didacticism, love, intrigue, and other motifs; also, the translator has been able, in his choice of material, to avoid offence to the reader s sense of decency. The rendering from the Italian is almost without exception faithfully done, and the style, even if at times more archaic than grammatical, is pleasantly suggestive of a different age, and, on the whole, fits the narrative comfortably. The humor, as is well, remains in the translation strongly tintured with medievalism. The book is manifestly intended for popular reading. -The Nation, Volume 104 [1919].
