Mike was seven when his father was killed in mysterious circumstances in Afghanistan. Eight years later, the family still hasn t recovered: Mike s mom is overworked and overprotective; his younger sister Mary feels no connection to the father she barely remembers; and in his quest to be the man of the family, Mike knows he s missing out on everyday high school life. Then, out of the blue, Mike receives a letter from his father -- the first of a series Dad wrote in Afghanistan, just in case he didn t come home, meant to share some wisdom with his son on the eve of Mike s 16th birthday. As the letters come in, Mike revels in spending time with his dad again, and takes his encouragement to try new things -- to go out for the football team, and ask out the beautiful Isma. But who s been keeping the letters all these years? And how did Dad actually die? As the answers to these mysteries are revealed, Mike and his family find a way to heal and move forward at last.
