Seven Words of Worship combines biblical truth, practical application, and inspiring real life stories to clarify the reader's understanding and living out of worship, focusing the spiritual practice on seven key words: Creation; Grace; Love; Response; Expression; Presence; Experience. Indeed, worship is a leading topic throughout the church today and the central purpose for gathering the body of Christ each week. But worship style and technique are often divisive elements among believers as well. More than a subjective art form or tradition, Seven Words of Worship authors Mike Harland and Stan Moser explain that worship is foremost intended to be a pure and powerful declaration of love to God. When offered with passionate sincerity, worship brings God into our presence and makes all things possible!
