Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Signed, Sealed, Delivered, is a short story of letters I ve written to specific men that were or are in my life that had a major impact on my character, spirit, behavior and even the decisions I make in life. This was my way of coping with things that I have allowed to bottle up inside me. I constantly drowned myself, by sitting in a pool of my own thoughts. I felt that it was time to let these individuals know what they did, how it affected me, and what may come from this all. I am not looking for sympathy. I am simply sharing my story, my thoughts and feelings to others who may able to relate. This is my outlet. I want to let you know that it is okay to cry. It s okay to be angry for a second, to hurt for the moment. It is okay for you to have emotions! Don t let anyone else tell you otherwise or make you feel like less of a person because you have feelings. You are human. I just ask that you let it out in some way shape or form. Please do not hold it in because it will tear you a part.
