The Slave (Paperback)

By Geoffrey Fielden

AUTHORHOUSE, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Though this manuscript is a work of fiction its underlying message is of a non-fictional nature. It attacks the popular belief that altruism is good and therefore beneficial to mankind, whereas reality and evidence indicate an increasingly more dysfunctional and morally confused world. A rational, objective case is made against the tenet of altruism and the basis of an alternative philosophy suggested. Whilst the manuscript is not autobiographical, it does call on many personal experiences and observations. Motivated by a widespread misunderstanding, by an overwhelming majority of the population, as to what constitutes human rights and a virtually total ignorance and denial of property rights, the story tells of a middle-aged man who returns to England after many years abroad, his struggle to find meaningful employment and his uphill fight against an oppressive welfare state. His efforts to achieve financial independence and secure himself a future are continually frustrated by the punitive policies of an increasingly statist government. In desperation he resorts to measures that eventually lead him into conflict with the law and an appearance in court. He conducts his own defence...
