67 Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Exhibits houses an eclectic group of characters featuring drug addicts, Gods, and fallen rock stars inhabiting the same space. There s bedbugs, SM, and a shape shifting dinosaur. There s excess and poverty, love and hate, and a well-meaning apocalypse for good measure. Though it s a disparate group of stories, they are all parts of the great human drama we live every day. Their insecurities, guilt and fears are our own magnified by their circumstances. Most of us live lives of quiet desperation, happy to make it through another day still breathing. These story tellers and their tales do not, they put every intense surreal moment out on display for all of us to see.
